Exit the station at the Oxford Street Exit (between the Orange Shop and Dorothy Perkins).

From the exit you will be facing H&M Women Clothes Store and the O2 phone store. Cross over, and between the two stores is a small alley way signed 'SCP W1' (St Christopher's Place).

Walk straight through St Christopher's Place all the way, past Carluccio's restaurant on your left and Sofra cafe on your right, until you reach Wigmore Street.

Cross over Wigmore Street and continue straight through Marylebone Lane, over Hinde Street/Bentinck Street and again over Bulstrode Street, reaching the end of Marylebone Lane.
